Subject: Additional Information on the Seattle Good Neighbor Program

Dear (b) (6)

How are you doing these days? Hope things at work have mellowed out for you, at least a little. Here is some additional information that you requested the other day. The best I can do for you is some contact people in the Seattle area. Those people are:

Harris Martin - Assistant Project Manager for Seattle on the Midway Landfill project. He had worked a lot at an information center (no longer existing) established to answer peoples questions regarding the landfill during and following the methane gas migration problems. Harris' phone number in Seattle is (206) 684-4686.

(b) (6) - He is the Chair of a citizens' committee (Citizens Against the Midway Landfill (CAML)) in the Midway area. His phone number is (b) (6).

(b) (6) - He is the Chair of another citizens' committee (Landfill Information For Education (LIFE)) in the Midway area. His phone number is (b) (6).

(b) (6) She is the Chair of another citizens' committee (Health Action Committee (HAC)) in the Midway and Kent Highlands landfills area. Her phone number is (b) (6).

Lin Robinson - She is the current Project Manager for Seattle on the Midway Landfill. Her phone number is (206) 684-7687.

I will have Neil Thompson from EPA give you a call regarding the property value questions that came up during the last public meeting.
